

PEACE BY PIECE

15.10 - 24.10.2026

Boleraz, Slovakia

**Co-funded by
the European Union**

OUR AIMS

- Strengthen conflict resolution competences of youth workers by training them in structured peacebuilding tools, including Nonviolent Communication (NVC) and conflict transformation methods they can apply in daily practice.
- Develop facilitation and dialogue skills of youth workers to enable them to create safe and inclusive spaces for young people, where diverse perspectives can be expressed constructively.
- Improve critical thinking and media literacy competences among youth workers, equipping them to guide young people.
- responding to misinformation and polarisation in their communities.
- Improve intercultural competence and empathy skills of youth workers to foster understanding and cooperation across cultural, social, and generational divides.
- Build capacity in non-formal education methodology, ensuring youth workers can design, deliver, and evaluate educational activities that transfer peacebuilding skills to young people.
- Foster international cooperation and peer learning among youth workers, strengthening their ability to share practices, co-create resources, and apply European youth work standards in their organisations.
